RA Briefing - Upper Animas Site Mgmt Strategy 15JUL2014.docx  
(5) UA Draft Site Strategy 08JUL14.docx

Attached is the briefing notes (talking points) for the RA briefing next Tuesday, July 15<sup>th</sup>. The purpose of this briefing is to brief the RA on the site management strategy for the Upper Animas River watershed site.

I've also attached the draft final Site Management Strategy which is much longer as additional information for the RA. At this point, Martin hasn't had a chance to review the strategy but we are briefing Martin on Monday, July 14<sup>th</sup> on the strategy.

Please let me know if you have any comments or changes you wish to make on the briefing notes for the RA and I will try to get those made and sent back to you before 3:00 pm today.

Thank you.
